

Welcome to Corpus Christi Parish Faith Formation. Our mission is to share our Catholic faith and the love of Jesus Christ to all the children and families in our parish. Along the journey we will follow in the footsteps of Jesus as we answer his call to become his disciples.

All of the Religion textbooks used in our parish have included a grade level developmental process for Faith Formation... Not all at once but gradually as we grow, learn, share, and live our Catholic Faith together in the community of Corpus Christi Parish.

2021/2022 Faith Formation Guidelines

This year as we move forward towards another year of Faith Formation we do so with the help and guidance of our Lord Jesus Christ. We have learned much about the emphasis of family involvement during this year, with that in mind, the program will have **Family Catechesis** at the center of its goal on **every level**.

Sessions will begin in the fall following the CDC guidelines. At this time all sessions are scheduled for in-person gatherings. If the need arises, with updated CDC guidelines, and it becomes necessary, then and only then we will move to a digital platform.
